Coaches Reports – Jessie Jeffery reported on the competitive dance season. The team finished as state champion runner up for the second year in a row. There were 14 girls on the team and she did not have a senior on the roster. Jessie feels they will be able to compete at a high level again next year. The QCC money was used for new poms and the team previously purchased uniforms. Jessie also thanked the booster club for the money for OPT as she requires her team to participate in that summer training program.

Andy Van Deest and LeAnn Vette reported on the girl’s and boys’ cross country teams. The girls were first in conference, first in region and state champions for the second year in a row. They will lose four seniors Shelby Burtzlaff, Elise Reid, Susie Meyerink and Erika Gengler. The boys team finished second in conference, second in region and third in state. They will lose two seniors from the team Tige Thorman and Gene Trimble. They also reported that QCC funds were used to buy long-sleeve shirts, tights and a tool chest. LeAnn gave the booster club a season recap book that she gives to all of her athletes. Mary commented on how nice the books were and that she wished other sports would do the same.

Treasurer’s Report

The current balance in the account is \$36,992.62. The activity in the account for October was as follows:

Homecoming Tailgate/Float Refunds	520.77		
TOTAL REVENUE	\$24,800.17	TOTAL EXPENSES	\$760.24

Tammie moved to approve the treasurer’s report, Barry seconded and the motion carried.

Committee Reports

Ad Sales/Sports Program: Tammie reported that only 41 businesses are left to collect from for fall and spring program ads and deposits are still being made for money being collected.

Queen City Classic: Mary reported that Jeff was out of town but will be at the next booster meeting with a report. He has been pursuing Dakota Trailways for a sponsorship.

Unfinished Business

Game Programs: Dee Sleep has been in contact with Karen Hahn regarding the timing of the program. It appears there will not be a game program for the first home basketball games and wrestling match. Karen will prepare a one sheet roster for those games. We don't plan to order as many as we ordered in the fall. The booster club would like to see this year's spring sports pictured in the program rather than last spring's teams, but will support whatever decision is made.

Sports Banquet: Steve mentioned that he has contacted Tim Miles to be our speaker for the spring sports banquet and is waiting to hear back. Tim is the head basketball coach at the University of Nebraska and is originally from South Dakota. Billy Mills and Paige McPherson are the backup plan.

New Business

Girls State Champion Watches: Steve mentioned that we presented approximately 14 watches to the girls cross country team. Therefore, he recommended we order a dozen more to keep our supply up. Barry moved and Mary seconded the motion carried.

December Booster Meeting: Steve asked if we needed to have a booster club meeting in December? He said he talked to Karen Hahn prior to the meeting and she didn't think it was necessary. Mary moved to not have a booster club meeting in December and Tammie seconded. Motion carried.

The next meeting will be on Monday, January 14, @ 7:00 p.m. at the High School Library.
