

30th Annual Queen City Classic Sponsorships

March 22-24, 2019 • Spearfish, SD

Sponsoring the Queen City Classic youth basketball tournament is good business. Sponsors reach a diverse family- and youth-oriented audience and support the Spearfish High School Booster Club. The Booster Club provides significant contributions to the Spearfish High School Athletics, helping keep sports participation affordable for both students and taxpayers.

Now in its 29th year, the Queen City Classic has a long, positive and profitable history. The tournament continually attracts both beginner and advanced teams from a 5-state area. The Queen City Classic alone accounts for about half of the Booster Club's annual revenue, raising about \$40,000 annually. And the impact on the community is even greater in hotels, restaurants and stores.

Queen City Classic Features:

- Over 16 boys and girls divisions for grades four through high school students
- About 1,500 student athletes participate, attracting over 3,500 spectators
- Participants come from a 200- or 300-mile radius across South Dakota and into southwest North Dakota, southeast Montana, western Wyoming and northwestern Nebraska
- Promotes a healthy lifestyle message and being a successful student athlete
- Family/community-oriented event
- Direct benefits for hotels, restaurants and stores.
- Direct benefits for all Spearfish High School athletes.
- Indirect benefits for all Spearfish residents through generated sales tax and dollars turned over in our community.
