About the Queen City Classic Tournament

Now in its 31st year, the Queen City Classic has a long and positive history. Hosted by the **Spearfish Spartan Athletic Booster Club**, the tournament continually attracts both beginner and advanced teams from a 5-state area with divisions for boys and girls in elementary through high school.

The Booster Club provides significant contributions to the Spearfish High School and Middle School Activities Office. The Queen City Classic alone accounts for over half of the Booster Club's annual revenue. The impact on the community of Spearfish is even greater in hotels, restaurants, stores, gas stations and such.

We are so glad to have you in Spearfish, and we hope that you will come again next year for the tournament and anytime in between just for fun!

www.SpearfishBoosterClub.com

The tournament is held at various gyms around Spearfish. Map shows directions to the gyms and to area hotels.
